Personal Profile

I am able to work independently in a fast-paced environment and have a good attention to detail. I am self-motivated and willing to learn and develop new skills. I can speak English, Japanese, Nepalese and Hindi.

Work Experience

Nov-20 to Current

Self Employed Stock Trader

Independently excelled skills in: FOREX trading, Cryptocurrency, Stock Trading
Experienced in Day trading, Swing trading and Trend trading which involves technical analysis and analysing chart patterns using indicators.
Skills developed: Analytical thinking, Discipline, Data analysis, Researching, Risk Management and Strategy.

Dec-18 to Feb-19

Tyco Electronics, Witham

Assisted a small team of 4 warehouse workers in assembling electronic parts to meet monthly targets.
Became a team leader after a month, whereby my role involved managing stock to ensure my team had enough to meet the targets and dealing with issues within the team.

Jul-17 to Aug-18

General Assistant, Shakti Handicraft, Nepal

Assisted in day-to day running of a family handicraft business in Lalitpur, Nepal. Worked as a general assistant to monitor and record daily transactions, provided administrative supervision to the workers and was responsible for delivering the finished goods to the customers.
This job required organisational and time management skills as I was the main point of contact for 12 staff and I was required to make trips to the bank and to the customers for delivery on a regular basis.

Dec-16 to Jun-17

Aircraft Cabin Cleaner, Haneda Airport, Tokyo, Japan

Worked within a tight timeline to assist the aircraft to prepare for the next flight. Jobs included clearing the seating areas for the customers, vacuuming, changing the magazines, blankets, headphones etc.
This job required speed and efficiency as we only had limited amount of time after the flights landed to get them ready for the next flight.

Apr-16 to Apr-17

**Kitchen Assistant, Zomboliya Obento Food factory,
Yokohama, Japan**

Worked part-time as part of team of 4 kitchen staff to efficiently cook Japanese food to meet daily orders.
This job required cooking skills, speed, team working and efficiency. I was responsible for calculating the recipe based on the order size and we had to meet the orders as a team, whilst also meeting the food quality requirements.

FreeCodeCamp Courses completed:
